**Terms of Reference (TOR) for Outsourcing of Biomedical Waste Management Services in ZSS Keonjhar**

1. All the workers engaged by the outsourcing agency (OS) shall have uniform with the logo of the Agency.
2. All staff of the agency shall bear photo identity cards during the period of work, which shall be duly signed by the Head of the concerned Hospital (DMO (MS) cum Superintendent for DHH & Superintendent for SDHs, CHCs and PHCs) and representative of the organization.
3. The Outsourcing Agency shall furnish the List of workers & supervisors (above 18 years of age only) with Proof of Identity and address to the Head of the concerned Hospital after finalization of the contract for Outsourcing of services.
4. All the personnel to be engaged by the Organization/Agency should be covered under the statutory Government regulations (Labour laws & regulations) framed from time to time.
5. The concerned authority of the Hospital may request the Bidder/Agency to withdraw any of their workers from the Hospital with 24 hours prior intimation.
6. The Bidder/Agency will abide by all the rules and regulation relating to labour laws, accident, workmen compensation act, Workmen Insurance, ESI, PF, fire safety etc. This will be the sole responsibility of the Bidder/Agency. The authority will not be a party at any stage to any kind of dispute arises relating to the above.
7. Any damage/pilferage to the Hospital property due to mishandling, carelessness of the contractor/agency or his workmen will be recoverable from the Agency's bill and all materials issued to the contractor/Agency shall be his/her sole responsibility for its safety during the entire period of the contract.
8. The selected OS Agency/Organisation should depute qualified and dedicated staff (trained in the field of Bio Medical Waste Management or having experience in handling the biomedical wastes) to manage the Bio-Medical Waste Management activity such as collection, transportation, storage, treatment & disposal in the Hospital premises (offsite/onsite). The Agency must also be responsible for Liquid Waste Management of the hospital. It will also coordinate with the Bio-Medical Waste Management Committee of the Hospital and be responsible for supervision of the said work. The work men should be provided with mobile number (24 X7 functional) for emergency need at any time by the Agency.
9. All the workmen engaged by the Agency/Organisation will have to be covered under insurance against any personal accidents/health hazards and the Hospital authority will not be liable for payment of any compensation on that account.
10. During execution of work, the Agency/Organization should follow all standard norms of safety measures/precautions to avoid accidents/damages to men, machine and infrastructure etc. On non adherence to this clause, suitable fine/penalty as decided by the Authority will be imposed.
11. All the generation points of BMW at Health care Units (DHH/SDH/CHC/PHC) must have colour coded container/bins with cover. The designated bio-degradable colour coded poly bags with bio hazard symbol and bar code will be put in respective coloured coded container/ bins and lifted by the OS agency/organization when they become two third full. Bags are to be closed by tying a string, weighed and recorded and then transported to the temporary storage area (onsite/offsite) for treatment and disposal utilizing the BMW equipment (Onsite/Offsite). Each bag shall be labelled as per BMW Rules. The colour

- coded bags or containers/ Bins shall be strong enough to withstand any possible damage that may occur during loading, transportation or unloading of such bags/containers. These containers shall also be labelled as per BMW rules. Segregated sharps shall be collected from all generation points of the Health care Units. Mutilated infected plastics must be collected and properly disinfected/autoclaved by the OS agency. The person identified for collection of Bio-Medical Waste must carry a register with him to maintain the record such as, name of the generation point, type and quantity of waste received, signature of the responsible person (Pharmacist/LT/I/C sister of the ward), date and time of collection etc. A similar register is to be maintained by Matron/Superintendent CHC & SDH for BMW.
12. In case of Handling, Treatment and Disposal of waste generated during treatment/Diagnosis of COVID-19 Patients, Guidelines in this regard should be followed as uploaded at CPCB website, by the agency.
  13. Agency has to give attention that no Untreated Biomedical Waste should be kept in the hospital premises beyond 24 hours. In case it is beyond 24 hrs, it must obtain the permission of OSPCB for the purpose.
  14. The collection and transportation of Bio-Medical Waste shall be carried out in a manner so as to avoid any possible hazard to human health and environment. The timing of collection of the waste will be preferably before 8.00 AM daily.
    - a. The Bio-Medical Waste collected in biodegradable Poly bags (having bar code)/ containers shall be collected from generation points of HCFs (DHH/SDH/CHC/PHC) and transported to the nearest BMW Management unit located at DHH/SDH or offsite BMW treatment plant in a fully covered vehicle. Such vehicle must have GPS and must be labelled with bio hazard Symbol and dedicated for transportation of Bio Medical Waste only and to be provided by the Agency/ Organization.
    - b. The Agency/Organization must collect the Bio-Medical Waste from the DHH/SDH/CHC/PHC & other peripheral Govt. Hospitals in a specified container. For this purpose the respective agency need to sign a MOU with the CDM&PHO regarding the requisite fee as finalised in the above tender process. (For the transportation charges per KM and service charges per bed per day).
    - c. The requisite out sourcing charges as per finalisation of rate contract will be paid by the concerned DMO(MS) cum Superintendent for DHH, Superintendent SDH & CHC as per district BMW Committee decision.
    - d. For collection of Bio- Medical Wastes from DHH/SDH/CHC/PHC, it should be kept in mind to minimise the k.m. i.e. the route map should be justified in such a way that it covers maximum to maximum health institutions in one route during travel of the collecting vehicle for Bio- Medical Wastes.
    - e. Penalty may be imposed for any deviation found and as decided by the BMW Committee.
  15. Agency will be responsible for collection, transportation, temporary storage, treatment & disposal of general waste by coordination with Municipality/NAC/Local authorities of the district.
  16. The Outsourcing agency will be taken over the plastic materials @ Rs. 1.00 (Rupees One only) per kg at after treatment from the Shredder point i.e. DHH,SDH of the district.

17. As per the provision of Biomedical Waste Management & Handling Rule-1998 & amendments there after in 2016 & 2018 by Govt. Of India, It is mandatory to segregate, collect, packaging, transport, store, treat & dispose BMWs generated from the HCFs.
18. It is the responsibility of agency to provide the bio degradable poly bags with bar code & other consumables. However the Health Institutions has to ensure placing of colour coded container/bins with bio hazard symbol at the generation points in the hospitals. The stock position to be maintained for 15 days in advance.
19. Agency/Organisation will have to provide all personal protective gears & immunise its workmen for handling of BMW such as - Apron, Gumboot, Mask, Cap, Goggles, Rubber Utility Gloves and Hepatitis B, TT Injection as per requirement.
20. The BMW equipment such as Autoclave & Shredder located at DHH/SDH/CHC/PHC will be utilised by the agency for treatment of wastes of nearby CHCs and PHCs. A regular log book has to be maintained by the service provider and report shall be submitted to the authority on weekly basis. Service providers to be use autoclave in every cycle to ensure proper disinfection. Minor repairs & regular maintenance will be made in consultation with the supplier firm while the electric charges will be borne by the agency. A separate register for registering the complains regarding the BMW Equipment shall be maintained by the OS agency.
21. The Outsourcing Agency/ Organization shall maintain all the records related to Bio-Medical Waste Management of all the units. Daily records shall be maintained for the waste accepted and treated waste removed from the site. This record shall include the following minimum details.
  - a. Waste accepted:- waste collection date, name of the generation point, waste category as per the rules, quantity of the waste, vehicle number and receiving date (at site).
  - b. Treated waste removed: - Date, treated waste type, quantity, vehicle number and location of disposal.
  - c. Log Book: A log book shall be maintained for each BMW equipment installed at the site and shall include the following:
    - i. The weight of each batch of waste treated.
    - ii. The categories of waste as per the rules.
    - iii. The time, date and duration of each treatment cycle and total hours of operation.
    - iv. The complete details of all operational parameters during each cycle.
    - v. Accident reporting Register is to be developed and maintained.
  - d. Site Records: Site records shall include the following:
    - i. Details of construction or engineering works of the pits.
    - ii. Maintenance schedule, breakdowns/trouble shootings and remedial action.
    - iii. Emergencies.
    - iv. Incidents of unacceptable waste received and the action taken thereof.
    - v. Details of site inspections by the officials of the regulatory agency and necessary action on the observations.

- vi. Daily, monthly and annual summery records of all the above shall be maintained and made available at the site for inspection whenever required by regulating Officer on Inspection.
22. Manpower engaged by the Service Provider should not claim any type of compensation/ absorption/ regularisation/ benefit (Health Related also) of service from the office of the CDM&PHO, Keonjhar under Industrial Dispute act, 1947 & Contract Labour Act 1970.
  23. The Manpower of the outsourcing agency should not consume alcohol, betel, smoking during the duty hour nor be involved in any type of criminal activities.
  24. The office of the concerned Health Institution (DHH/SDH/CHC/PHC) will maintain attendance register in shape of muster roll of the staff engaged by the Agency/Organisation. The agency will have to prepare duty list & submit to the office as mentioned above by date 25<sup>th</sup> for the next calendar month. Absence from duty is not allowed at any cost. However under unavoidable circumstances, the agency should have to make alternative arrangements with due approval by the concerned Authority.
  25. After the allotment of the work, the said Agency/Organisation shall have to sign an MOU with the concerned authority regarding the detail scope of services to be executed.
  26. The said contract will work initially for a period of one year from the date of agreement that will be renewed/extended on yearly basis up to maximum three years, if found satisfactory by the Competent Authority and Bio Medical Waste Management Committee, Keonjhar. During this period if at any stage of time, the Hospital Authority found non compliance of the assigned work, the said agency/Organization for BMWM will be served with a notice for a period of one month and if still non compliance is there, the said contract will be cancelled and new party will be assigned with the said service as decided by the Competent Authority and Bio Medical Waste Management Committee, Keonjhar.
  27. After allotment of the order, the Outsourcing agency shall execute the service within 15 days of the issue of letter.
  28. The Outsourcing agency/Organization has to sign a Memorandum of Understanding (MOU) with the CDM & PHO on the day of execution of the work order.
  29. The final monthly bill in triplicate to be submitted along with the consolidated monthly report to CDM & PHO/DMO(MS)/Superintendent on 1<sup>st</sup> week of each month.
  30. Besides, the Outsourcing agency has to submit Monthly Progress Report/Status report duly signed by the Hospital Manager / Junior Hospital manager/ Block Programme Manager / Matron/Staff Nurse with remarks to the DMO (MS),Superintendent SDH & CHC as the case may be without fail. Three consecutive Adverse Remarks may be treated towards cancellation of the Contract.
  31. The Outsourcing Agency shall be under the Administrative Control of the CDM&PHO/DMO (MS)/Superintendent/BPHO and the work will be supervised by the Hospital Manager/ Junior Hospital Manager/BPM/ Matron/ SN.
  32. The number of workers to be engaged by the Outsourcing Agency will be specified institution wise.
  33. All the legal disputes are subject to the jurisdiction of the District Court, Keonjhar only.

**6. Price:**

The price quoted should be in Rupees including all taxes and in the price schedule format(Cover-B) mentioned in the tender document.

**7. Evaluation and comparison of tenders:**
