Madam/Sir,

It gives me immense pleasure to intimate you that like earlier years, Govt. of Odisha is organizing "**Kartika Brata**" (**Habisha**) in this year-2023 for the elderly women devotees of our State who will perform the Brata during the month of Kartika in the holy city of Puri to get the Darshan & Blessings of Lord Jagannath. The objective of this programme is to support the needy & elderly women for smooth performance of their Brata over a period of one month from dt.29.10.23 to dt.27.11.23.

On this backdrop, it has been decided to provide free accommodation, fooding, Medical facilities & volunteer services to help their smooth darshan on regular basis & staying at various prominent locations in the Iconic City of Puri.

Since, this is a Welfare Programme of the Govt. of Odisha, we require your personal intervention & support for extending this noble facility to the devotees of your district. Further, I request you to kindly publish this information on your office notice board/District website Portal (copy enclosed) & designate one Senior Officer with Data Entry Operator, of your district who will receive the application forms and ensure online registration within the stipulated period i.e. from dt. 03.10.2023 to dt. 20. 10.2023.
