OFFICE ORDER

No 936 /G&M'; Dated 11-02-2025

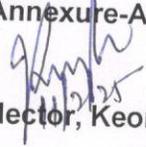

Sub:- Regarding holding of Mahasamadhan Sibira at Gram Panchayat level.

The District Administration's efforts to provide outreach services to remote villagers are crucial in bridging the gap between Government services and communities isolated by geographical, infrastructural or socio-economic challenges. Bringing services directly to these areas demonstrates the administration's commitment to inclusive governance and equitable development. Many villages, particularly those in hilly, forested, or border regions, are disconnected from service hubs due to poor roads, limited transportation, or lack of awareness about government schemes. For these communities, accessing basic services like healthcare, education, ration distribution, social security, and legal aid often requires long, difficult travel, which is not always feasible.

Keeping in view these challenges and in alignment with the Government of India's "Prashasan Gaon ki Ore" campaign, the District Administration has decided to organize "Mahasamadhan Sibira" at Gram Panchayat levels twice a month, particularly in the remote and interior areas of different blocks. Month wise schedule will be notified and communicated to the concerned BDOs in due course.

The BDOs of the concerned Block will act as "Nodal Officer" for organizing the Mahasamadhan Sibira. In this regard, a detailed SOP is attached herewith as **Annexure-A**.
