*** Only bidders who secure above 70% marks in the technical evaluation will be considered for further evaluation.**

FINANCIAL EVALUATION (3rd Stage):

Financial Proposals of only those applicant Agencies who are technically qualified (i.e., obtain a minimum 70% marks in Technical Evaluation) shall be opened at this stage in the presence of the bidder's representative who wishes to attend the meeting with proper authorization letter. The name of the bidder along with the quoted financial price will be announced during the meeting.

Evaluation Process:

QCBS method will be followed during the overall selection process. The financial bids of technically qualified bidders will be opened on the prescribed date in the presence of bidder's representatives.

The lowest evaluated Financial Bid (Fm) shall be given the maximum financial score (Sf) of 100. The formula for determining the financial scores of all other bids shall be calculated as follows: $Sf = 100 \times Fm/F$, in which "Sf" is the financial score, "Fm" is the lowest price, and "F" the price of the bid under consideration. The weights given to the Technical (T) and Financial (P) Bids shall be:

T = 70, and

P = 30

Bids shall be ranked according to their combined scores, calculated using the technical score (St) and financial score (Sf) and the weights as follows:

$S = St \times T\% + Sf \times P\%$

The bidder, who has the highest score in the QCBS and shall be called for further process leading to the award of the contract. The bid price will include all taxes as applicable and shall be in Indian Rupees. Prices quoted in the bid must be firm and final and shall not be subject to any modifications on any account whatsoever. In case of a tie, the bidder having

higher technical score will be considered the preferred bidder.

For the purpose of evaluation, the total evaluated cost shall be exclusive of all taxes & duties for which the Client will make payment to the consultant excluding overhead expenses.

10. Performance Bank Guarantee: (PBG) of contract value:

Within 10 days of notifying the acceptance of a proposal for award of contract, the qualified bidder shall have to furnish Security deposit in the form of a Performance Bank Guarantee amounting to **3% of Total Contract value** from a nationalized/scheduled commercial bank in favor of “**District Education Officer, Keonjhar**” as per the format at Annexure- II, for a period of three months beyond the entire contract period (i.e. PBG must be valid from the date of effectiveness of the contract to a period of 3 months beyond the contract period) as its commitment to perform services under the contract. Failure to comply with the requirements shall constitute sufficient grounds for the forfeiture of the PBG. The PBG shall be released immediately after three months of expiry of contract provided there is no breach of contract on the part of the qualified bidder. No interest shall be paid on the PBG.

11. Contract Negotiation:

Contract negotiation, if required will be held at a date, time and address as intimated to the selected bidder/s. The bidder will, as a pre-requisite for attendance at the negotiations, confirm availability of all the proposed staff for the assignment. Representative conducting negotiations on behalf of the bidder must have written authority to negotiate and conclude a contract. Negotiation will be performed, if any and availability of proposed professionals etc.

12. Award of Contract:

After completion of the contract negotiation stage, the Client will notify the successful bidder in writing by issuing an offer letter for signing the contract and promptly notifying all other bidders about the result of the selection process. The successful bidders will be asked to sign the contract after fulfilling all formalities within 15 days of issuance of the offer letter. After signing the contract, no variation or modification of the terms of the contract shall be made except by written amendment signed by both the parties. The contract will be valid for 01 (one) years from the date of effectiveness of the contract. Sub-contracting / outsourcing of any form shall not be allowed for any activities under this RFP.

13. Conflict of Interest:

Conflict of interest exists in the event of:

- a. Conflicting assignments, typically monitoring and evaluation/environmental assessment of the same project by the eligible bidder.
- b. Consultants, agencies or institutions (individuals or organizations) who have a business or family relation with the Client directly or indirectly; and
- c. Practices prohibited under the anti-corruption policy of the Government of India and Government of Odisha. The bidders are to be careful so as not to give rise to a situation where there will be any conflict of interest with the Client as this would amount to their disqualification and breach of contract.

14. Disclosure:

- a. Bidders have an obligation to disclose any actual or potential conflict of interest. Failure to do so may lead to disqualification of the bidder or termination of its contract.
- b. Bidders must disclose if they are or have been the subject of any proceedings (such as blacklisting) or other arrangements relating to bankruptcy, insolvency or the financial standing of the Bidder, including but not limited to appointment of any officer such as a receiver in relation to the Bidder's personal or business matters or an arrangement with

creditors, or of any other similar proceedings.

- c. Bidders must disclose if they have been convicted of, or are the subject of any proceedings relating to:
 - I. A criminal offence or other serious offence punishable under the law of the land, or where they have been found by any regulator or professional body to have committed professional misconduct.
 - II. Corruption including the offer or receipt of an inducement of any kind in relation to obtaining any contract;
 - III. Failure to fulfill any obligations in any jurisdiction relating to the payment of taxes or social security contributions.

15. Anti-corruption Measure:

- a. Any effort by Bidder(s) to influence the Client in the evaluation and ranking of financial proposals, and recommendation for award of contract, will result in the rejection of the proposal.
- b. A recommendation for award of Contract shall be rejected if it is determined that the recommended bidder has directly, or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the contract in question. In such cases, the Client shall blacklist the bidder either indefinitely or for a stated period of time, disqualifying it from participating in any related bidding process for the said period.

16. Language of Proposals:

The proposal and all related correspondence exchanged between the bidder and the Client shall be written in the English language. Supporting documents and printed literature that are part of the proposal may be in another language provided they are accompanied by an accurate translation of the relevant passages in English with self-certification for accuracy, in which case, for the purposes of interpretation of the Proposal, the translated version shall govern.

17. Cost of bidding:

The Bidder shall bear all costs associated with the preparation and submission of its proposal. The Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process. Bidder/s is/are not allowed to submit more than one proposal under the selection process. Alternate bids are also not allowed.

18. Legal Jurisdiction:

All legal disputes are subject to the jurisdiction of District Session Court, Keonjhar only.

19. Governing Law and Penalty Clause:

The schedule given for delivery is to be strictly adhered to in view of the strict time schedule. Any unjustified and unacceptable delay in delivery shall render the bidder liable for liquidated damages and thereafter the Client holds the option for cancellation of the contract for pending activities and complete the same from any other agency. The Client may deduct such sum from any money from their hands due or become due to bidder. The payment or deduction of such sums shall not relieve the bidder from his obligations and liabilities under the contract. The rights and obligations of the Client and the bidder under this contract will be governed by the prevailing laws of Government of India / Government of Odisha. Failure on bidder's part to furnish the deliverables as per the agreed timeline will enforce a penalty @

1% per week subject to maximum of 10% of the total contract value. The amount will be deducted from the subsequent payment. In addition, the PBG amount shall also be forfeited. The decision of the authority placing the contract, whether the delay in development has taken place on account of reasons attributed to the bidder shall be final.

20. Confidentiality:

Information relating to the evaluation of proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the proposals or to other persons not officially concerned with the process, until the publication of the award of contract. The undue use by any Consultant of confidential information related to the process may result in rejection of its proposal and may be subject to the provisions of the Client's antifraud and corruption policy. During the execution of the assignment except with prior written consent of the Client, the consultant or its personnel shall not at any time communicate to any person or entity any confidential information acquired in the course of the contract.

21. Amendment of the RFP Document:

SECTION – 3

TERMS OF REFERENCE (ToR)

1. Background

District Education Officer proposes to establish a **Digital Library facility** to enhance access to digital learning resources for students, youth, and competitive exam aspirants. The digital library will provide access to tablets, online learning platforms, digital content, internet connectivity and interactive learning tools.

The project aims to create a modern learning environment that supports **school education (Class 1–12), competitive examinations and general knowledge resources** through digital platforms.

To implement this initiative, District Education Officer intends to **engage a competent agency** responsible for supply, installation, commissioning, and operational support of the digital library infrastructure.

2. Objectives

The primary objective of the assignment is to establish a **fully functional Digital Library facility at District Education Officer** by creating an enabling digital learning environment supported by appropriate infrastructure, digital resources, and reliable utilities. The specific objectives of the project are as follows:

a) Establishment of a Modern Digital Learning Facility

To develop a well-equipped Digital Library that provides access to digital devices, learning platforms and educational resources for students, youth, and competitive examination aspirants.

b) Access to Quality Digital Educational Content

To provide structured digital learning content for **Classes 1 to 12** along with preparation modules for **various competitive examinations such as Banking, Railway, OSSSC/OSSC, OPSC Civil Services, ASO, and other examinations**, thereby enhancing learning opportunities for students and job aspirants.

c) Promotion of Digital Literacy and Self-learning

To create an enabling environment that encourages digital literacy, self-paced learning and access to multimedia educational resources including video lectures, digital books, academic modules, and general reading materials.

d) Creation of a Functional and Comfortable Learning Space

To undertake necessary **minor civil works, renovation, and interior improvements** to convert the identified room into a comfortable, organized, and student-friendly Digital Library space suitable for reading, digital learning and knowledge sharing.

e) Strengthening Physical Infrastructure

To improve the physical infrastructure of the designated Digital Library room through repairs, surface finishing, painting, installation of fixtures, seating arrangements, display stands and other interior improvements required for smooth operation of the facility.

f) Provision of Reliable Electrical Infrastructure

To establish safe and adequate electrical infrastructure including wiring, distribution boards, power outlets and earthing systems required for operating digital devices such as tablets, interactive panels, printers, networking equipment and other accessories.

g) Ensuring Continuous and Safe Power Supply

To ensure uninterrupted and safe operation of all digital equipment through proper load distribution, surge protection and installation of appropriate electrical safety measures.

h) Support for Installation of Digital Equipment

To create appropriate infrastructure for the installation and safe use of Digital Library equipment including tablet counters with charging facilities, interactive flat panels, networking devices and other digital learning tools.

i) Provision of High-Speed Internet Connectivity

To provide reliable high-speed internet connectivity to enable uninterrupted access to the digital learning platform, multimedia educational content, and online learning resources.

j) Deployment of Monitoring and Reporting Systems

To implement a **cloud-based online reporting dashboard** that allows monitoring of student usage, learning progress and platform engagement through periodic data synchronization.

k) Creation of a Safe and Accessible Learning Environment

To ensure that the Digital Library infrastructure, including civil and electrical installations, is designed with adequate space, proper lighting, safety measures and accessibility for all users.

l) Long-term Sustainability of the Digital Library

To establish durable infrastructure, reliable digital platforms and efficient support systems that ensure the sustainable operation of the Digital Library for the intended period.

- a) To establish a fully functional digital learning space
- b) To provide access to structured digital educational content
- c) To support students preparing for competitive examinations
- d) To improve digital literacy and learning opportunities
- e) To provide cloud-based monitoring and reporting of learning progress
